Past topics have included updates on GSA and VA Schedules, Labor Law, Bid Protests, Cyber Security, Compliance, FAR Updates, Small Business Issues, and the State of the Federal Market. Popular guest speakers last year included; David Wennergren, Executive Vice President & Chief Operating Officer at the Professional Services Council; Anthony "Tony" Bell, Small Business Advisor in the Office of Small and Disadvantaged Business Utilization (OSBDU) at the Department of Homeland Security; Jose Arrieta, Director of IT 70 Operations at the General Services Administration, Michael Smith, Executive Director of the Office of Selective Acquisitions at the Department of Homeland Security and John Shoraka, Associate Administrator, Small Business Administration. This year we will be inviting Alan Chvotkin, Executive VP & Counsel at Professional Services Council, Alan Thomas, FAS Commissioner at the General Services Administration and many more.

➤ Attendee Overview

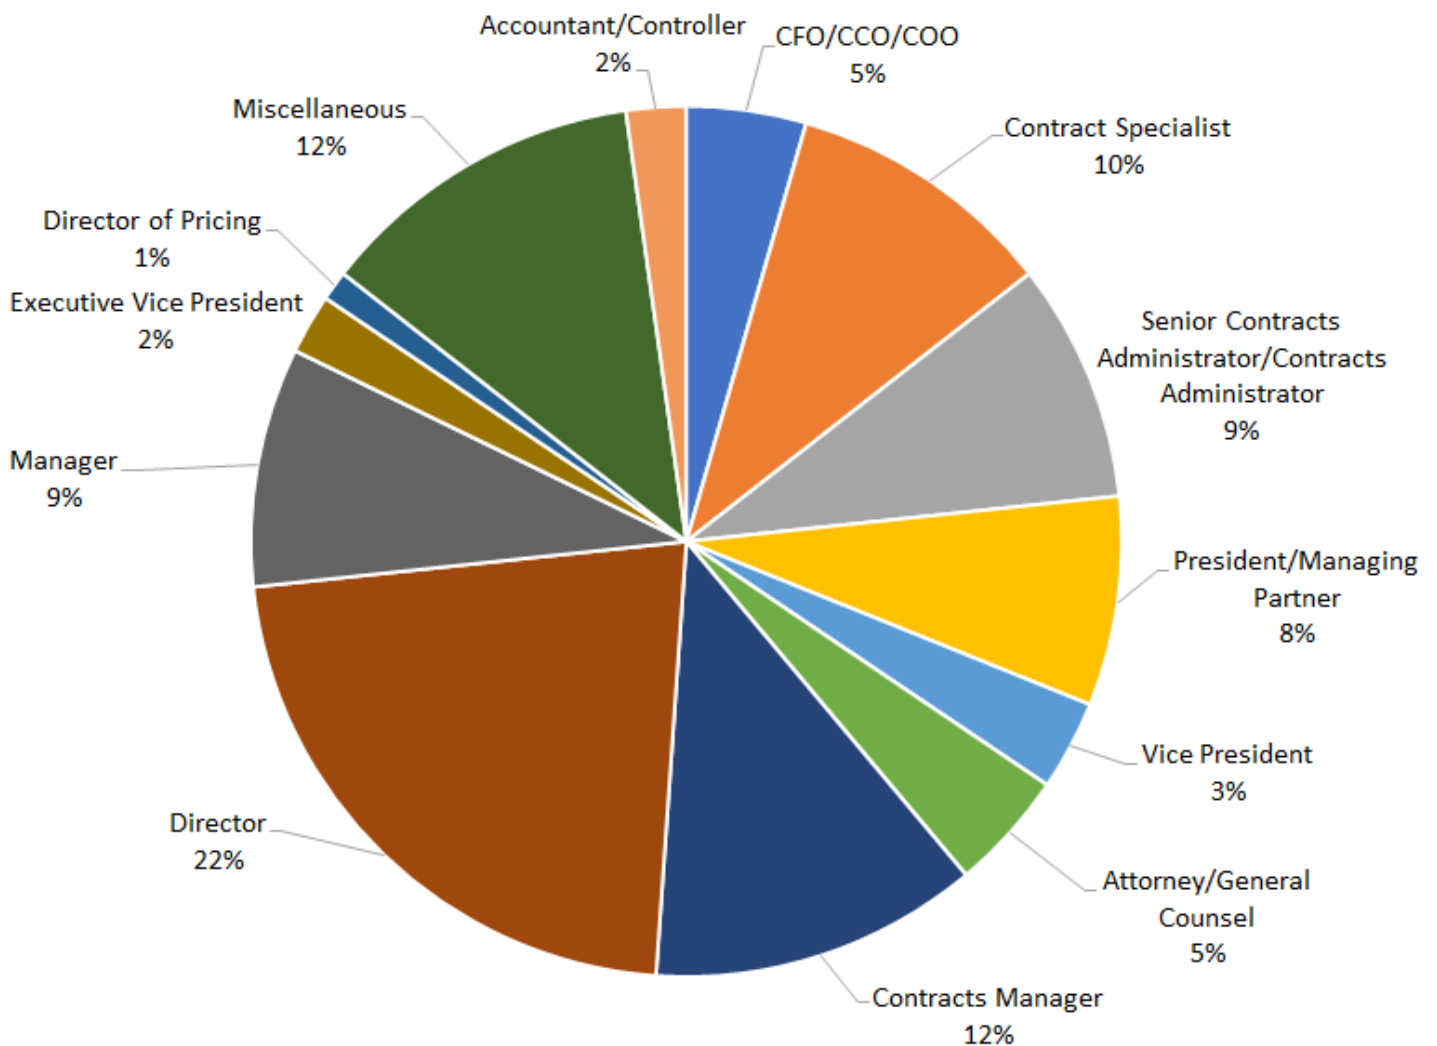

Based on last year's registrations, we expect to have over 100 attendees in 2018. While the audience is primarily made up of federal contractor companies from the Washington DC metro area, we do draw contractors from across the country. These contractors range from small to large in size, but the majority of attendees are from mid-size to large contracting companies where their job functions include Vice Presidents, Contract Managers, Acquisition Officers, Corporate and In-House Counsel, and other C-Level Executives.
